

Bottoms UP! The Bikini Bartender

Cocktail creation has become more than just pouring rum into coke. It is an imaginative art form for which there is no limit. Learning to make cocktails at home is a rewarding experience, and each successful attempt is a discovery of a small, liquid jewel. Excellent cocktails with proper balance and depth should leave you wanting more. Allow our beautiful bikini bartenders to guide you through a beginners course in basic mixology. Join the girls as they guide you in building a home bar, proper measuring techniques and the benefits of using fresh ingredients in your cocktails. Let them assist you in choosing which glassware to use and when to stir versus when to shake. Bottoms UP!
