

Hitting in the Clutch (The Clutch Trilogy Book 1)

Baseball is Americas pastime. No other sport has so captured our countrys spirit and loyalty throughout the ages. We see our shiny-faced heroes on the field, signing autographs, making unbelievable plays, and doing unthinkable athletic feats night after night. We see them beaming at press conferences answering yes maam, no maam, and never missing a beat. The players and heroes on the field are Americas champions. But are they reall that way?What about that one? Yes, look at that player over there. The one ogling down that womans blouse as she leans over to wipe her childs mustard painted face? That guy seems different. Or is he? What if a novel existed for the Maxim crowd about baseball? What if we could see how things really are? Now we canFollow the always crude and crass Jack Clutch Thompson through a baseball season as he canoodles with monkey (women), plays pranks with on his teammates, and tries to break his own personal curse of only succeeding in clutch, pinch hit situations.

Hitting in the Clutch (The Clutch Trilogy Book 1) (English - Amazon May 30, 2006 Hitting in the Clutch has 6 ratings and 2 reviews. Dan said: Billed as a Baseball book for the Maxim crowd, Hitting in the (showing 1-10).
