

Breakable: Contours of the Heart, Book 2

As a child, Landon Lucas Maxfield believed his life was perfect and looked forward to a future filled with promise - until tragedy tore his family apart and made him doubt everything he ever believed. All he wanted was to leave the past behind. When he met Jacqueline Wallace, his desire to be everything she needed came so easy.... As easy as it could be for a man who learned that the soul is breakable and that everything you hoped for could be ripped away in a heartbeat. Tammara Webber, the New York Time best-selling author of Easy, now delivers a daring and entirely new perspective on love, and why falling for it is beyond our control. A college age, New Adult romance.
