

Bruce Walker Travel Adventures - Bruces Great Canadian Road Trip Summer 2012

Learn about the human experience of loss of a loved one and coming to terms with the grief. A few years after losing his spouse, Bruce Walker spent the summer of 2012 touring Canada from Nova Scotia right across the country up to Dawson City and Whitehorse, Yukon. From there he traversed British Columbia, including his birthplace on Vancouver Island. With only his trusty Rav4, a foam mattress, his rooftop carrier and many memories, Bruce reconnected with places and people and even family he hadnt seen in decades. And along the way he reconnected with himself and came to a life-altering realization: he was learning to live with the past rather than living in the past. Come along as Bruce explores Canada, revels in its beauty and finds his place in it as he enters the third act of his life - retirement and travel adventures. Bruces bucket list is a long one. And he keeps adding to it. But just maybe, youll find some of his destinations landing on your bucket list - like Tofino, Victoria, Nanaimo, Athabaska, Wawa, Thunder Bay, Gaspe, the 1,000 Islands...
