

Nonprofit Risk Management & Contingency Planning: Done in a Day Strategies

Could your nonprofit stand up to risk assessment from outside authorities? Would it be ready should a keystaff member leave? Risk management and business continuity planning have the potential for growing and strengthening the internal structure of your nonprofit, yet, these crucial practices are often deferred--or avoided--because many nonprofits fear the planning process will take forever, step on toes, or gather dust on a shelf once it is completed. With valuable templates, checklists, and worksheets to facilitate planning and preparation, Nonprofit Risk Management & Contingency Planning: Done in a Day Strategies is the new, uncomplicated way for your nonprofit to get risk management planning done. With some basic preparation--and dedication of a single day--this easy-to-read and easy-to-use tool introduces you to the nuts and bolts of strategic planning and equips you with the structure to engage successfully in a contingency planning process. Get Nonprofit Risk Management & Contingency Planning and get risk management planning done--in a day.
