

Buyers, Renters & Freeloaders: Turning Revolving-Door Romance into Lasting Love

Tired of revolving-door romance? Ready for a relationship that goes the distance? Then check out Dr. Harley's Romantic Relationship Attitudes Questionnaire inside and see if you and your partner are Buyers, Renters, or Freeloaders! These three attitudes reveal what you can expect of each other in the future. Are you or the person you're dating a Freeloader unwilling to put any effort into caring for another person? Is one of you a Renter who views the relationship as tentative and will provide care only as long as it's convenient? Or are you ready to be a Buyer, willing to invest the time and energy it will take to make your relationship last? Not sure? Filled with personal examples and practical advice, *Buyers, Renters & Freeloaders* will help you assess relationship attitudes and transform a Freeloader or Renter into a fully-committed Buyer. You'll even learn how you can try out the Buyer attitude before you decide to become one. So settle in, and prepare to exchange your lease for a deed!
