Fabulous food with little to no added sugar, better carbs, & fats. The Sweet Life is more than changing a recipe, its about changing lives. The Sweet Life is Not a Diet, Its a Philosophy. This isnt a diet book. Its a collection of recipes Id like to share with you. These recipes are designed to be used as part of a healthy eating plan. None of these recipes alone are any sort of magic bullet. In fact, some can have quite a few carbs. Carbs are not evil. They just need to be balanced. What I hope is that you learn to balance your plate, and youll use the nutritional information to create a balanced lifestyle. I am sharing with you what I do. You can follow my recipes exactly or make your own changes for your own reasons.
