

## Calder Storm

With his rugged-cowboy good looks and the kind of smile that makes a lady's pulse race, Trey Calder could have his pick of women. But he's been holding out for someone special, and the minute he lays eyes on freelance photographer Sloan Davis, he knows he's found her. The attraction between the two is immediate and charged as heat lightning, even if they are as different as can be. But Trey's fierce passion may blind him to a terrible threat soon passion turns to suspicion. A dangerous game is set in motion. And the stakes are high everything the Calders have worked for over the generations is on the line.
