

Canadian Maverick: The Life and Times of Ivan C. Rand (Osgoode Society for Canadian Legal History)

In *Canadian Maverick*, bestselling author William Kaplan critically examines the life and times of lawyer, politician, academic, and Supreme Court Justice Ivan C. Rand. Born to a working-class New Brunswick family, Rands hard work and impressive intellect led to an extraordinary career that redefined Canadas legal landscape. Rands 1943 appointment to the Supreme Court of Canada invigorated what was then a pedestrian institution. His work in labour law, including his development of the Rand Formula, and his key judgments in civil liberties cases inspired a generation of Canadian judges, lawyers, and law students. Kaplans rigorous study encompasses Rands legal contributions, his pivotal role in the creation of the State of Israel, and his position as founding dean of the University of Western Ontarios Faculty of Law. An absorbing account of a complex and sometimes contradictory figure, *Canadian Maverick* draws a compelling portrait of one of Canadas most influential legal minds.
