

## Igniting the Inner Chan Lights: The Global CHAN Camp-2012-13 (Chinese Edition)

Master Q has learnt Chinese Traditional LinJi Huatou Chan Meditation since 1991. He personally experienced the breakthrough around the end of 1995 from Master ShaoFan Wang, one of the close students of Master HuaiJing Nan. Since Master Qs breakthrough in 1995, he devoted all his time and energy into the study of Buddhist Sutra and Sarstra especially focused on meditation practice for 18 years. In 2012, Master Wang and Master Nan passed away in June and September. Thus, Master Q began to host and teach meditation Camps. From 2012 to 2014, Master Q hosted fifteen different meditation camps, in China, the U.S and HongKong. Total of three hundred participants joined his camps. Around fifty of them experienced different levels of breakthrough. This is indeed a very surprising and outstanding achievement for the modern time. This book showcases these fifteen different mediation camps with some texts and photos. There are other books dedicated to the details of Master Qs teaching and participants reflections of these camps.
