

Chosen: The Final Potential Is Discovered (Battle of Creation)

What happens when God retires? Noah quickly finds out upon discovering he's the next God, known as the Potential. With his angelic guide, Raphael, Noah must now complete his final challenge, a test to prove himself worthy of his ultimate destiny. Armed with a mystical sword and an ancient book of prophecy, Noah battles the very forces of Hell in pursuit of his Heavenly calling. Fallen angels, demons, dragons, and mortal enemies torment him on his quest. Yet as overwhelming as his current conquest seems, the true threat still lies ahead. Join the action inside the First Book in the Battle for Creation series.
