

## Save Pennies, Bank Millions

This book bridges the distant gap that inherently exists between principle and practice. Financial theories and principles are interpreted, defined and translated into a practical course of action. SAVE PENNIES, BANK MILLIONS affords the reader successive fundamental steps toward a realized financial outcome. Moreover, this procedural guide allows the reader to design a personalized strategy for financial objectives using the following vehicles and/or methods: Establishing and Managing Credit, Timelines and Budgets, Personal Savings & Investments, and Trading Strategies & Analysis.
