

## Come Closer, Cowboy & Daring Her SEAL

For romance lovers of both Western and military lines, this collection includes one of each. Come Closer, Cowboy by Debbi Rawlins [Read by Jeremy York] Friends with very naughty benefits. . . Mallory Brandt needs a change. The kind of change that makes a gal close her Hollywood bar, move 1,400 miles across the country, and start a new life in Blackfoot Falls, Montana -- in four weeks. Coincidentally, that's how long her oldest friend, Gunner Ellison, has been out of the country . . . and since they had super-hot, tequila-fueled sex for the first time. And man, Gunner is mad. Mallory never returned his calls, never told him she was leaving. Now he's shown up in Blackfoot Falls -- and he's not leaving until he gets answers. Only problem is, their searing chemistry keeps getting in the way, distracting them both from the feelings they're afraid to acknowledge . . . and the fact that their friendship will never be the same! Daring Her SEAL by Anne Marsh [Read by Abby Craden] Subject: Navy SEAL Levi Brandon Mission: Sort out his accidental marriage . . . without sleeping with his wife! Devil-may-care Navy SEAL Levi Brandon faces a terrifying task: telling Ashley Dixon that their faux wedding during their last mission together was actually real. It's bad enough that she completely loathes him, but she's DEA. Levi will be lucky to get away with his life . . . Now Ashley and Levi have returned to Fantasy Island to sort things out . . . and are tempted to play a dangerous game of lust and restraint. A game of dares. All Levi has to do is keep himself from having sex with the hottie DEA agent. But Ashley's playing to win -- and darers always go first.
