

Smokin Seventeen: A Stephanie Plum Novel (Stephanie Plum Novels)

Where there's smoke there's fire, and no one knows this better than New Jersey bounty hunter Stephanie Plum. Dead bodies are showing up in shallow graves on the empty construction lot of Vincent Plum Bail Bonds. No one is sure who the killer is, or why the victims have been offed, but what is clear is that Stephanie's name is on the killers list. Short on time to find evidence proving the killer's identity, Stephanie faces further complications when her family and friends decide that it's time for her to choose between her longtime off-again-on-again boyfriend, Trenton cop Joe Morelli, and the bad boy in her life, security expert Ranger. Stephanie's mom is encouraging Stephanie to dump them both and choose a former high school football star who's just returned to town. Stephanie's sidekick, Lula, is encouraging Stephanie to have a red-hot boudoir bake-off. And Grandma Bella, Morelli's old-world grandmother, is encouraging Stephanie to move to a new state when she puts the eye on Stephanie. With a cold-blooded killer after her, a handful of hot men, and a capture list that includes a dancing bear and a senior citizen vampire, Stephanie's life looks like it's about to go up in smoke. The hardcover edition of Smokin Seventeen contains two smokin hot stickers inside! From the Hardcover edition.
