

Conard County Marine (Conard County: The Next Generation)

From New York Times bestselling author Rachel Lee comes a story of one woman's survival and her protectors promise to find answers. The arrival of a single black rose signals danger to come for Kylie Brewer. Recovering from a brutal attack that claimed three years of her memory and her chance at a promising career, Kylie just wants to pick up the remaining fragments of her life. She returns to her hometown of Conard City to live with her sister but soon learns that putting the past in its place won't be easy. Marine sergeant Evan Cooper, a trusted family friend who agrees to help Kylie, can't ignore his protective instincts. Or the steadily growing desire he feels for a woman who has overcome so much. He vows to help keep Kylie's demons at bay, but someone else has plans to finish what they started.
