

Coolbrands 2013/14: An Insight into Britains Coolest Brands

CoolBrands(R) is an annual initiative aiming to identify and pay tribute to the nations coolest brands. Packed with beautiful imagery, the CoolBrands publication celebrates these brands, exploring how they have succeeded in reaching the top and the journey that they have taken to get there. Each brand featured has qualified for inclusion based on the collective opinions of the independent and voluntary Expert Council - administered by The Centre for Brand Analysis - and just under 3,000 members of the British public. CoolBrands is one of three annual programmes administered by Superbrands (UK) Ltd.
