

The Big Fish Experience: Create Memorable Presentations That Reel In Your Audience

From one of Inc. magazine's Coolest College Startups?the revolutionary three-step method that will transform every presentation into an experience for the audience. In The Big Fish Experience, the authors detail their proven process of crafting engaging content, creating high-quality design, and practicing powerful delivery. They share practical information on new presentation tools; innovative ways to deliver a presentation; case studies of great presentations, which one can emulate immediately; and ways to recover if presentations go wrong.
