

## Creating Love for a Lifetime: The Five Cs to a Successful Marriage

Dear couples, My wish for you is a relationship so rewarding, it will be better than you ever thought possible. In my private practice and in my own marriage, I have learned what it takes to create this kind of a relationship. My book includes The Five Cs Commitment, Communication, Conflict Resolution, Cherish, Communion of Spirit, practical exercises to do with your partner, over twenty examples of couples who have healed their relationships as well as themselves, and all the inspiration needed to begin this journey. I know a wonderful relationship is possible for you and your spouse. This book was written for you. Blessings, Kathy infeld
