

# Playing the System: The Consumers Guide to Credit Repair

PLAYING THE SYSTEM- The Consumers Guide to Credit Repair is compiled from the stories of consumers who have worked to repair their credit. Confirmed by first-party research, the information in this book outlines how the average consumer can use the current credit system to his or her advantage and offers information on achieving and maintaining an optimal credit rating. This book includes instructions on credit repair and addresses credit scores (both FICO(R) and VantageScore). As well, as a convenience for the reader this book contains sample letters for communicating with Credit Bureaus and collection agencies and links to resources and articles about credit repair and debt management.
