

## Crime and Puzzlement 2

If you cut your detecting teeth on Crime and Puzzlement, you'll sink them into Crime and Puzzlement 2 with glee . . . Once again, You are the Detective! Alone (or was he?) in his locked room, Torrick the truckdiver succumbed, but to what, and why? Arthur, on his way downstairs for another drink, slipped, or did he? Siegfried Jones was obviously knifed on his way to the operating room, but by whom? Read the story. Ponder the picture. Seize the pencil in fist and solve it yourself! With the applause for Crime and Puzzlement still ringing in his ears, Lawrence Treat has conjured up an even more addictive and fiendishly delightful encore. Who finished Isabella Spiegel? Why did Mr. Grange topple dead from his saddle, and what was the catch in Mr. Fishheads alibi? Its up to you, the armchair detective, to find out!
