

Cruise Ship Doctor

Cruise Ship Doctor rollicks with the outrageous antics of Oliver Loring, M.D., a Harvard emergency physician, amorous bachelor, and an expert ballroom dancer, who takes a gig in the Caribbean on the grandest, most legendary cruise ship on the high seas, the S/S Nordic Blue. Loring rides the tropical waves with a highly eccentric group of passengers and wacky crew members, while he pursues Ulla von Straf, a melancholy and elusive Austrian ballerina. For this Valentine TV Cruise, the Nordic Blue hosts Farrelly Farrell, a popular reality TV personality, who televises the cruise around the world and exposes frenetic on-board encounters for the cameras. With the talented but neurotic Loring at the center of the turmoil, a tension-filled climax erupts with stunning effects. Call it Monty Python meets The Love Boat or Ship of Fools on Dexedrine, this hilarious sea adventure offers a rousing behind-the-scenes romp through the Caribbean with farcical confrontations and delightful international characters all of it laced with a tantalizing soupçon of the metaphysical.
