

My First Book Of Mazes

This book gives children the opportunity to build a firm foundation for pencil-control skills by tracing lines through basic mazes following clear directional indicators. The exercises have many three-dimensional illustrations, such as towns, streets, and parks, which engage children's curiosity. This amusing practice will also help children acquire the ability to concentrate, a crucial study skill for the emerging student.

: Customer Reviews: My First Book Of Mazes We have gotten these books for our Grandchildren when they were 3 and 5 yrs old, They are easy to do, but difficult enough that it makes them think ahead, **My First Book Of Mazes (Original) (Paperback) by Shinobu - Target** - Buy My First Book of Mazes (Kumon Workbooks) book online at best prices in India on Amazon.in.
