

The Leather Sling and Shooting Positions

From the author of Sight Alignment, Trigger Control & The Big Lie This new ebook edition picks up where Sight Alignment... leaves off. Jim Owens imparts valuable and effective knowledge on how to master the essential shooting positions and sling usage, learned over years of High power rifle match experience. Follow a four-step program to shooting positions, the likes of which you have never seen before. Learn to assemble and adjust the leather sling in the same method taught by the Marine Corps Team. As an added bonus, receive a five-step theory that could increase your off-hand three to ten points. Updated for 2014, with a new chapter on the No-Pulse Sling, with more pictures and up-to-date info on NRA/CMP stage procedures and recent rule changes. It is both a terrific guide and reference, for both beginners as well as experienced match competitors. Everyone is sure to find something useful to improve their competition shooting techniques.
