

The Retirement Management Journal: Vol. 5, No. 1, Practitioner Peer Review Committee Issue (Volume 5)

The Retirement Management Journal, a publication of the Retirement Income Industry Association (RIIA), is devoted to the advancement of theoretically sound, practical thinking for retirement-income planning and management. RIIA provides the space, discussions, communications, research, education, and standards that derive from its unique perspective the View Across the Silos to help investors, distributors, and manufacturers in the financial industry transition from Investment Accumulation to Retirement Management and Income Protection.
