

## Fare-Well: 100% Gluten, Dairy, & Soy Free Recipes

While Fare-Well may mean goodbye to gluten, dairy, & soy, it does not mean goodbye to the foods you love, to convenience, and especially to flavor! Fare-Well means hello to leading a conscientious, healthy, & sustainable lifestyle...to eating-well, living-well, being-well! Every recipe within Fare-Well is 100% gluten, dairy, & soy free! But these recipes are by no means just for individuals with food intolerances, sensitivities, or allergies- they are for those who simply desire to be wholly-well!

Fare-Well strives to help you make responsible food choices by eliminating: 3 of the 8 most recognized food allergens (gluten, dairy, & soy); GMOs; trans fats; artificial additives; chemicals; highly refined ingredients; added hormones & antibiotics; and, excess salt & sugar. You can still enjoy a normal, varied diet- Fare-Well isn't a health food cookbook that asks you to make severe limitations or suggest you eat unappetizing, bland foods. It is rather, a cookbook that presents a more nourishing approach to eating allergen free, while still being realistic! Fare-Well contains over 220 totally gluten, dairy, & soy free recipes written in a clear and concise format. These time-tested-favorites are as well sensitive to the other 5 most common food allergens: eggs, peanuts, tree nuts, fish, & shellfish. (If present, the allergen has been indicated, and wherever possible, an easy substitution provided.) And with very minor modification (ingredient swaps are already noted for your convenience), many Fare-Well recipes are vegetarian & vegan friendly. There's no guesswork! All of the recipes within Fare-Well consist of easy to find and readily available ingredients. Appetizers, dressings, glazes, gravies, light fare, main fare, salads, sides, soups, and sauces are filled with fresh produce, meats, and uncomplicated shelf staples. So, you will still be able to shop at your favorite

grocers! Furthermore, to simplify your menu preparation, Fare-Well includes a Meal Planner with over 120 coordinated entrees and a Sample 30 Day Meal Plan- Its truly possible to not have to repeat dishes more than 3 or 4 times a year (unless of course, they just happen to become your favorites!)
