

Beer Across Texas: A Guide to the Brews and Brewmasters of the Lone Star State

Beer Across Texas guides you to three dozen breweries, microbreweries and brewpubs throughout the Lone Star State, from El Paso to Houston, Lubbock to South Padre Island. Breweries and brewpubs are organized by region and by city. You'll meet brewers, discover how they have succeeded, get identities of their top labels and find out what to look for. You'll also learn how to identify the distinctive tastes of the five basic styles of lagers and the seventeen major styles of ales. This unique book comes in the wake of the craft beer revolution, as, according to a recent Gallup poll, beer has overtaken wine as Americans drink of choice.
