

Dead Mans Token: Book Five of the Latter Annals of Lystra

Someone has broken open the long-sealed secret passage in the palace of Westford. While Surchatain Ares is investigating the breach, an intruder uses this same passage to kidnap his young wife Nicole from her bed. And Ares discovers the kidnapper to be someone they had long assumed to be dead. Recovering Nicole is only half the battle, for Ares must find out who paid a dead man to kidnap the Surchataine of Lystra, and what he intended to do with her. The palace becomes a battleground of wits as the Lystrans uncover more secrets in its ancient chambers-and a close friend turns treacherous. Dead Mans Token is the fifth book of the Latter Annals of Lystra. Previous books in the series are Nicole of Prie Mer, Ares of Westford, Prisoners of Hope, and Road of Vanishing. Robin Hardy is the author of the Streiker Saga, the Sammy Series, and Padre and its sequel, His Strange Ways. She is also the editor of W.W. Meltons classic devotional, Sifted But Saved.
