

Low Carb High Fat: The Ultimate Guide to Lose Weight and Eat More (Low Carb High Fat Diet, Low Carb Diet, Weight Loss, Healthy Eating, Lean Eating)

2nd Edition - The Improved 2016 Version!

In his younger years, LR Smith started to be incredibly successful in business. He also weighed much more than what was healthy and had a deadly habit of getting and eating food as fast and easily as possible. Results? Poor energy, increased pangs of hunger, balloon-shaped belly, and terrible health. When this situation started to create mental slowness and massive food cravings that interrupted his focus at his work, that's when he realized a change needed to be done PRONTO. By investing a lot of time and money into improving his health, he eventually got to discover the method that worked most efficiently for him: the low carb and high fat diet. Now, in this new book of incredible and efficient advice, you'll learn lifetime habits and benefits that'll change you forever. Things like Having a high amount of energy throughout the whole day. Increased performance and stamina. A never seen improvement of your appearance. Zero hunger cravings anymore (no, seriously, ZERO hunger cravings, honestly). Increase in overall health and happiness. Do your health and your body a favor by trying this anti-inflammatory diet for hunger-free, fast weight loss and exceptional daily performance. It has worked for millions of people. Why wouldn't it work for you? This a groundbreaking book that'll challenge preconceived ideas about health and weight loss, so get ready for a ride of brutal honesty and eye-opening truth that'll stop, once and for all, the need of counting calories and adding unnecessary supplements. Eat well. Gain energy. Perform great. Build lean muscle. Watch the stubborn extra pounds say: Hasta la vista, baby! Don't miss out on your well-deserved healthier, happier, slimmer and incredibly vibrant version of yourself!
