

## Longing Heart; Empty Arms

Two friends journey through infertility. Their friendship and their common hardship join them despite the distance between them. Amy and Jadie help each other through an extremely trying time in their lives: their journey through infertility. They both long to be a mother, but will their deepest heart desire be fulfilled? Will they both receive the miracle they both so desperately seek? A story about longing, heartache, trial, faith, finding patience, and being thankful in all circumstances.
