

Food Talks: I Loved Them, They Left Me, But I Got Their Mothers Recipes

Denise Tomasetti, a born, bred New Yorker has built her career as a businesswoman in New York City. She shares with the reader a life changing revelation when it comes to dating. Food Talks! How to stop wasting time with Mr. Wrong so you can find Mr. Right. Wouldnt it be great to know on your first dining date if you wanted to have a second? Wouldnt it be great to stop wasting time with the wrong man? Something as simple as food can bring out some unknown details of your date which teaches you vital information about that person. Everything you hear, see and experience from food---all has meaning. More importantly, you get to see if you dont like what youve just learned about your date. After 20 years of dating, Denise shares these precious truths by listening to the clues food has to offer. By learning from her mistakes youll be able to avoid much heartache and gain the confidence to lose the losers, keep the keepers and find your dates ingredients---what theyre made out of ---whats Tasty and Not Tasty to your palate. Having her ex-boyfriends mothers recipes turned out to be the icing on the cake. Their mothers food and shared family meals together did whisper some unknown truths to her about their sons. Once Denise realized that she did learn a great deal about her ex-boyfriends from their mothers meals; the memories of other food experiences she shared with her past loves showed her that not just their mothers meals spoke volumes, but all food experiences do! Whether its a home-cooked meal or a reservation, you too will know how food will teach you more about your date(s) and relationship(s) than you ever thought possible. As you create your Top Ten Ingredients Card which is all about what you want and dont want in a person; whether you want a short-term or long-term relationship, a family man, a casual companion or a soul-mate, the

choice is yours. Real-life anecdotes with humor to impart practical modern-day dating wisdom. Denise shows you how to create your Recipe for Love to find whos best for you!
