

## Diary of a Husker

Diary of a Husker captures the life of David Kolowski, a walk-on offensive lineman for the University of Nebraska from 1998 to 2002. This exclusive look inside one of the most powerful football programs in the nation coincides with the most turbulent era in Husker Football history. Even with the relative success of a National Championship berth and a Heisman Trophy winner, the team seemed unmotivated, coaches were fired, and the program quickly disintegrated.

With raw emotion and straightforward reporting, we can see what its like to be a part of the Big Red through all the ups and downs. Were also offered unique insight as to why the overhaul of the program was necessary. For more information, go to [www.huskerstories.com](http://www.huskerstories.com).
