

Dividend Millionaire: How To Reach A Million Dollar Dividend Portfolio

A comprehensive guide to dividend investing that shows you how to put together a portfolio of the best dividend stocks with increasing dividend payments. Dividend Millionaire shows you how to reach a million dollar portfolio with the help of dividend growth stocks and a long-term time horizon. Topics covered range from allocation & diversification to inflation hedging & planning for a million dollar portfolio. A full analysis of 20 of the best dividend stocks to buy for 2014 are included. Dividend Millionaire also shows how to get double-digit returns out of dividend stocks by using Matts Dividend Performance Indicator (DPI). Dividends have made up over 40% of total stock market returns over the last 80 years. Why risk your hard earned money with speculative stock positions? Dividend growth stocks will pay you to hold them and theyre not as volatile as other types of stocks. This is a must for all dividend investors and other investors who are interested in building wealth in the stock market the smart way.
