

# Down, But Not Out: A Study of Divorce and Remarriage in Light of Gods Healing Grace

Down, But Not Out is different from many of the current works on divorce and remarriage. It is not a rehash of traditional teaching, but a fresh new look at the entirety of biblical doctrine on this vital subject. Although scholarly, it is easy to read and understand. Biblical truths are illustrated with actual case histories, thus allowing the reader to easily see how the principles are applied to daily living. This is not a book of theology designed to titillate the mind, but a book of hope designed to facilitate healing for those who are down, but not yet out.
