Before you and your spouse lawyer up, turn your family and finances upside down, and prepare for war, take a deep breath and learn about what your alternatives are to all-out war. Divorce in Peace revolutionizes the ways couples approach divorce by: Explaining the family law court system; Describing in detail the alternatives to fighting in court; Providing unique insight and perspectives from a judge who has presided over 10,000 divorce cases and a lawyer who has represented clients in and mediated thousands of family law cases; Giving couples a complete analysis of how to best resolve family law disputes outside of court regardless of how contentious the issues are.
