

Does the Center Hold? An Introduction to Western Philosophy

Does the Center Hold? is an entertaining, topically-organized introductory text with more than 500 original illustrations. The ideas and issues typically covered in introductory philosophy courses are presented here in a remarkably accessible and enjoyable manner. Donald Palmer demonstrates that serious philosophical inquiry may be perplexing, but is ultimately liberating, and students will come away from the book with a comprehensive, and often delighted, understanding of philosophy. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructors homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platforms/connect/training-support-students.html>
