

## Dont Pray for Rain and Then Complain When Your Hair Frizzes

Jesus teaches us daily, in all we do, that He loves us; he wants us to live life to its fullest and laugh all along the way. He is always beside us and has promised to go with us through every trial and embarrassing moment. There is healing in laughter, and so this collection of true stories seeks to help you laugh at the little things while learning valuable lessons from God. You can discover how to eliminate distractions that keep you from God; address small problems before they become too big to handle; trust the Lord to pick up the pieces of your life when it comes crashing down; and avoid hidden snakes that can hurt you and your loved ones. These stories have touched the lives of many people throughout the years. Whether you're a minister, parent, or someone trying to find your way to the Lord, you can use these tales to move closer to Him and his son Jesus Christ by examining and learning from life's everyday events.
