

Down Range: A Snipers Guide to Hitting Your Target

It doesn't matter if you're a paper puncher (target shooter), hunter, or a sniper in the military or law enforcement. This book will make you a better shot, whether you are a beginner or an advanced marksman, and it costs no more than a box of ammo! Down Range: A Snipers Guide to Hitting Your Target is not just another book that just talks about precision and long range shooting; it is a book that teaches you everything you need to know to master the art of precision rifle shooting. This book has purposely been kept as compact as possible, addressing the facts and eliminating any unnecessary information, allowing you to easily keep this essential information in any range bag. We promise this will be the best investment you will make to improve your shooting skills.
