

Presentation Skills that Rock: Captivating your audience in the digital era

Out of all the things to fear in life, what do you fear most? I would expect most people to say death, but I am always surprised when I hear speaking in front of others? Can you believe that 74% of people suffer from speech anxiety? You can run from public speaking but you cant hide, especially in the world of technology. Personal videos used for marketing on You Tube, Google Hangouts on Air, live video streaming, and of course, the standard business presentation. Lets face it, you will have to give a presentation one day, so you might as well be prepared! This book is perfect for those business professionals that avoid speaking in public yet have a desire to overcome their fear. This book contains a step-by-step procedure that can transform anyone into a dynamic speaker! Learn to captivate every audience of any size. You can use the workbook exercises and a self-assessments included in each chapter to help you master the skill of public speaking. It also teaches you how to research a topic, how to write a presentation, and the special techniques to deliver both on stage and on video. - A section is dedicated to helping you find your personal style - You get the 10 different ways to build audience excitement and keep them engaged - We teach you the 9 parts of a speech and how to write a presentation outline - We describe in detail the 17 steps to delivering any presentation that will captivate the audience - Exercises in every chapter and a self-assessment form Become a presentation rock star after learning all the techniques in this book! Lets rock this thing!
