

His Wrath, Her Honor: His Wrath, Her Honor

Nick Banes is spiteful, rude, malicious, perverted, and downright hateful...And his fury for the charitable but vulnerable Simone Silver knows no bounds. Early spring thunderstorms turn their tumultuous working relationship into a full-blown battle of wits and wills. Fueled with fire and lust, Nick torments Simone until she begins to unravel. Will he find his humanity and save her from herself, or will he let the flames consume her?
