

## Wine Lessons: Ten Questions to Guide Your Appreciation of Wine

A wine appreciation text for anyone who wants to know more about wine and how culture, geography, and wine making intersect. Divided into ten chapters, the book introduces readers to wine regions today, and speculates about how wine will evolve. It also includes practical information for setting up wine tastings, storing wine, and pairing wine with food. This book makes a good companion on the journey to discover the world of wine.
