

## How to Start an Online Business - 8 Steps to eSelling Success

Do you love shopping? Are you a sharp-eyed customer who can spot a bargain? Do you need a little extra money - or do you dream of changing your life? How to Start an Online Business - 8 Steps to eSelling Success is a short guide to help you get started selling online. You don't need lots of capital, stock, premises, time, bank loans or all the other immense investment a traditional business start-up demands. Contents:- Products & Markets- How to find your niche- How to start- How to find your product- The next step- An 8 Step Plan By starting small - clearing the attic, for instance - you can fit your eSelling business around your everyday life, gradually building up your capital. If you find you're enjoying the buying and selling process, and beginning to think this could make you a life-changing business run from the comfort of home, this guide shows you where to go for more information, and offers advice on how and where to uncover the reliable suppliers you will need to source good products at good prices. Isn't it overcrowded? Aren't too many people doing this? The straight answer is no, nowhere near. Look at car boot sales, garage sales, craft fairs and so on in your area - there are always new sellers emerging. Look online and you'll soon discover little niches where there's an opportunity for someone with an understanding of their market and its customers to prosper. And new sites - like Pinterest - which are exploding with popularity. How to Start an Online Business - 8 Steps to eSelling Success offers a clear, concise blueprint to help you make a start. Take the first step...
