God's Lineup is a collection of testimonies from Major League baseball players and how Christ has impacted their lives on and off the field. There are trying times in the sport of baseball and among Christians. This book is a breath of fresh air for both baseball fans and Christians. It illustrates how all people, including the top baseball players, face trying times and how being saved has changed them and the way they play the game. Each chapter focuses on one ball player and tells the story about how their life was before knowing Christ, how they came to know Him and how their life has changed.
