

And the Winner Is...: Using Awards Programs to Promote Your Company and Encourage Your Employees (Taking Control)

Awards aren't just a sign of success anymore, they are a specific means of achieving success. Customers make a decision based on who wins awards in your field, so do employees and competitors. John Leverage's *And The Winner Is...* tells you how to use existing awards programs to your advantage whatever your business or profession. *And The Winner Is...* shares insiders secrets of how to work the system and exploit the results. And, if a region or line of work doesn't have an awards program, *And The Winner Is...* shows you how to start one. *And The Winner Is...* is quite literally a kind of user's manual for using awards programs to promote your company and encourage your employees.-- Midwest Book Review
