

Empowering Family-Teacher Partnerships: Building Connections Within Diverse Communities

Empowering Family-Teacher Partnerships: Building Connections Within Diverse Communities by Thomas M. Coleman prepares students to work collaboratively with families and community professionals in support of childrens early education and development. The author takes a student-centered approach to delivering substantive information and framing activities. Students are invited to develop a personal philosophy of family involvement to guide their work with families and to join a community of learners in relying upon their collective insights and problem-solving skills to address family involvement challenges.
