

## My Name is Michael

The Nephilim were on the earth in those days -- and also afterward -- when the sons of God went to the daughters of men and had children by them. They were the heroes of old, men of renown. Genesis 6:4 Some men lead ordinary lives. Others are not so lucky. Meet J Michael K. When his first foray into the world of writing flops and leaves him penniless, he is ready to give up on life. But an unexpected encounter with destiny will change his mind forever. With the fate of the world closing in, he is recruited to the Clan of Michael. The clan is centuries old. Populated by a fantastic species known as the Nephilim, these holy warriors seek to protect their Lords creation from the evil hordes of the fallen. In a tale that combines science fact with religious fiction, follow the clans new scribe as he prepares to record the Day of Days for all of posterity.
