

# The Exhibitors Handbook

This is a guide for exhibitors planning to exhibit at UK trade fairs and exhibitions, in order to make them aware of the agents and organisers, services and products that are available to aid the success of their exhibition. The text includes up-to-date information and provides comprehensive directories of services to the exhibition industry, trade fairs and venues. Also this guide contains a set of articles written from the point of view of the component parts of the industry, discussing the state of the exhibition industry.
