

Good in Bed

Cannie Shapiro never wanted to be famous. The smart, sharp, plus-sized pop culture reporter was perfectly content writing about other peoples lives in the pages of the Philadelphia Examiner. But the day she opened up a national womens magazine to find out that her ex-boyfriend has been chronicling their ex-sex life is the day her life changes forever. Loving a larger woman is an act of courage in our world, Bruce has written. And Cannie - who never knew that Bruce saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and into the most amazing year of her life. Radiant with wit, bursting with surprises, and written with bite and bittersweet humor, Jennifer Weiner reaches beyond Cannies story and into the heart of every woman. Gut-level real and laugh-out-loud funny, Good in Bed celebrates the courage of the human spirit and features an unbelievably funny cast of supporting characters, the strangest dog youll ever encounter, and a heroine youll never forget.
