

Flea Circus: A Brief Bestiary of Grief (AWP Award for the Novel)

Pascals Wager and performing fleas. The Haunted Mansion of Long Branch and an old dockside bar. Raceway Park and a pristine 1971 Plymouth Road Runner. A cat named Altamont. These are all that stand between a young mathematician and madness as she attempts to make sense of her lovers suicide. Narrow margins, you say? Not much to place between a slip of a broken-hearted Jersey Girl and the Abyss? Indeed, it is a treacherous twelve seconds on the quarter mile, hilarious and harrowing by turn. Blink and you'll miss it.
