

# Understanding Conflict: A Resource for the Military Family

Understanding Conflict - What Are We Fighting For? is a must read for every military family, especially those deploying overseas, as well as their spouses and other family members. This book is practical and in-depth explaining techniques to deal with issues encountered by the service members deployed and their families at home. Military families deal with the same issues as civilians and the additional burdens of having a critical member of the family deployed. Whether conflict in the ranks, conflict with peers or conflict at home, this book is a welcome tool that will assist every military family coping with problems that arise particular to our military. This book is a wonderful resource that may aid managing the difficulties and conflicts that CAN be anticipated or may well occur after deployment. Understanding Conflict - What Are We Fighting For? provides the reader with a balanced approach to recognizing and understanding issues.
