

Sordid Truths: Selling My Innocence for a Taste of Stardom

Sordid Truths chronicles the authors ascent from being just another broke college boy who dabbled with the idea that he could sell his young body for hard cash, to becoming the internationally renowned adult film superstar. After finishing just one year of his degree, Aiden Shaw was twenty-one and easily lured away from study by the heady mix of sex and money in London. Within a short time on the scene, he was something of a celebrity in his field, having been introduced to wealthy, weird, and wonderful eccentrics and famousand famously closetedeurotrash personalities and the celebrated elite. However, working as a prostitute turned minor league once gay adult film legend Chi Chi La Rue took Polaroids of the naked and aroused Shaw and launched his career. The rest is history, as is documented in more than fifty films that won him numerous honors.The author of the best-selling memoir My Undoing and two novels, Aiden Shaw divides his time between New York and London, England.
